|                                                                                                                                                                                |                                                           |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------|
| Supplier name or brand                                                                                                                                                         | SMEG                                                      |
| Product code                                                                                                                                                                   | FAB10HRR                                                  |
| Category of the refrigerating appliance model                                                                                                                                  | Refrigerator - cellar, cellar and wine storage appliances |
| Energy efficiency class                                                                                                                                                        | A+                                                        |
| Energy consumption "XYZ" kWh per year, based on standard test results for 24 hours. Actual energy consumption will depend on how the appliance is used and where it is located | 116 kWh/year                                              |
| Fresh Food compartment - Storage Volume                                                                                                                                        | 130 litres                                                |
| Climate class: W [climate class]. This appliance is intended to be used at an ambient temperature between "X" [lowest temperature] °C and "Y" [highest temperature] °C         | W=SN-N-ST-T, X=10°C, Y=43°C                               |
| Airborne acoustical noise emissions                                                                                                                                            | 37 dB(A)                                                  |
| Built in                                                                                                                                                                       | 0                                                         |
| Is Wine Storage Appliance                                                                                                                                                      | 0                                                         |
