

Product fiche concerning the COMMISSION DELEGATED REGULATION (EU) No 1061/2010 of 28 September 2010

| | |
|---|---------------------------|
| Supplier name or brand | SMEG |
| Product code | WHT710EIT-1 |
| Rated capacity in kg of cotton for the standard 60 °C cotton programme at full load or the 40 °C cotton programme at full load, whichever is the lower | 7 kg |
| Energy efficiency class | A+++ |
| Energy consumption "X" kWh per year, based on 220 standard washing cycles for cotton programmes at 60 °C and 40 °C at full and partial load, and the consumption of the low-power modes. Actual energy consumption will depend on how the appliance is used | 177 kWh |
| Energy consumption - 60 °C cotton programme at partial load | 0.6 kWh |
| Energy consumption - 40 °C cotton programme at partial load | 0.59 kWh |
| Weighted power consumption of the off-mode | 0.5 W |
| Spin-drying efficiency class "X" on a scale from G (least efficient) to A (most efficient) | B |
| Maximum spin speed attained for the standard 60 °C cotton programme at full load or the standard 40 °C cotton programme at partial load, whichever is the lower, and remaining moisture content attained for the standard 60 °C cotton programme at full load o | 1000 rpm |
| Standard washing programmes to which the information in the label and the fiche relates. These programmes are suitable to clean normally soiled cotton laundry and they are the most efficient programmes in terms of combined energy and water consumption | Cotton 60° and Cotton 40° |
| Programme time of the 'standard 60 °C cotton programme' at full load | 210 min |
| Programme time of the 'standard 60 °C cotton programme' at partial load | 185 min |
| Programme time of the 'standard 40 °C cotton programme' | 183 min |
| Airborne acoustical noise emissions expressed in dB(A) re 1 pW during the washing phase for the standard 60 °C cotton programme at full load | 53 dB(A) re 1pW |
| Airborne acoustical noise emissions expressed in dB(A) re 1 pW during the spinning phase for the standard 60 °C cotton programme at full load | 74 dB(A) re 1pW |
